Main Particulars

This property description presents a spacious, well-maintained home that offers practical and appealing features. Here's a breakdown of its key details:

The property is set back from the road with a block-paved driveway providing off-road parking. There's side access through a gate and a canopy porch that leads into the house via a UPVC obscure double glazed door.

Entrance Hallway: Upon entering, there's a hallway with laminate flooring, a ceiling light, a radiator, and stairs leading to the first floor. A useful under-stairs storage cupboard adds to the practicality.

Lounge (Front): Measuring 12' 9" x 10' 9" (3.9m x 3.3m), the lounge features a double-glazed bay window with American style shutters, a radiator, ceiling light, and a modern wall-mounted electric fire.

Inner Hallway: A small hallway connects the lounge to the kitchen, offering a double-glazed window, tiled flooring, and a radiator.

Extended Family Dining Kitchen (Rear): A large, open-plan space (32' 9" x 9' 6" or 10m x 2.9m) featuring a modern kitchen with a range of fitted units, integrated appliances (including a gas hob and electric oven), wood-effect tiled flooring, and plenty of light from two double-glazed windows, a roof lantern, and folding doors leading out to the garden. French doors provide additional access to the side.

First Floor:

Bedroom One (Front): A spacious bedroom (11' 5" x 11' 1" or 3.5m x 3.4m) with a double-glazed window and American style shutters, a radiator, and ceiling light.

Bedroom Two (Rear): A smaller bedroom (9' 6" x 8' 2" or 2.9m x 2.5m) with similar finishes.

Landing: A landing with stairs leading to the second floor and access to a double-glazed window with American style shutters.

Second Floor:

Bedroom Three: This room (8' 2" x 6' 6" or 2.5m x 2.0m) features restricted head height but has natural light from both a double-glazed window and a Velux window.

Landing: With access to a large storage area.

Rear Garden: A south-facing garden, mainly lawned, with a paved patio, mature shrubs, bushes, and a timber summer house equipped with power points. There's also a rear terrace and an outside tap, with fencing for privacy and gated access to the driveway.

The property seems ideal for a family looking for a well-laid-out home with spacious living areas, modern touches, and ample outdoor space.
